

## "Think College" Fall Luncheon Noorthoek Academy

**Description:** In celebration of the students of Noorthoek Academy we are hosting a fall luncheon on Tuesday, October 23, 2018 at Grand Rapids Community College, Applied Technology Center from noon till 1:00 pm with registration at 11:45 am. The purpose of the luncheon is to establish a point of entry event to systematically engage and develop lifelong relationships with donors who truly understand and support our work.

**What/Who supports:** Noorthoek Academy enhances lives through access to a college experience in the arts and sciences for adults with learning challenges and other intellectual disabilities, in partnership with Grand Rapids Community College. Located in GRCC's downtown campus, Noorthoek Academy serves over 80 students each semester. The Academy provides many opportunities for self-expression and the development of creative talents. Being on a college campus and integrating into the mainstream, students have the opportunity to increase their self-confidence and independence while making friends in an atmosphere of mutual respect and encouragement.

**Target Audience:** Individuals interested in supporting life-long learning opportunities for adults with learning challenge and other intellectual disabilities, 18 and over, on the campus of Grand Rapids Community College.

**How the dollars are used/Long range impact:** Noorthoek Academy's purpose is to enrich lives by encouraging lifelong learning. Funds raised will enable a greater number of individuals with learning challenges and other intellectual disabilities to take the "big step" toward a college experience, fulfilling dreams and enriching lives forever.
